

ICICI Prudential Multicap Fund

An open ended equity scheme investing across large cap, mid cap, small cap stocks.

About the Scheme

ICICI Prudential Multicap Fund is a diversified equity Scheme which proposes to invest in a mix of large, mid and small cap stocks. The Scheme aims to derive benefit from pickup in domestic demand owing to economic recovery.

Current Investment Strategy

The investment universe of the Scheme is a unique blend of large-, mid- and small-cap stocks. The Scheme will aim to hold optimum exposure to large, mid and small cap stocks depending on the fund manager's view on market valuations.

The portfolio construction involves investing in high conviction quality stocks. The Scheme will remain sector agnostic and would use a combination of top-down and bottom-up research for stock selection. Top-down approach will be based on macro-economic conditions, underlying trends while bottom-up approach shall be followed for selecting stocks with growth prospects, low leverage levels, good corporate governance, robust financials and good cash flow management.

Why ICICI Prudential Multicap Fund?

- The scheme focuses on identifying stocks across sectors that are likely to transform into tomorrow's market leaders resulting in potential capital appreciation over time.
- The scheme's exposure to mid and small caps provides an opportunity for higher capital appreciation over long term whereas the large cap exposure aims to provide less volatile reasonable returns.
- The scheme is suitable for investors who aim to take advantage of India's long-term growth potential with investment horizon of 5 years and above.
